

Breez

All Breez products are made using the highest quality full-spectrum extracts to preserve the full natural goodness of the cannabis plant. Take your pick.

Breez Mints

Stay fresh with Breez mints whether you're on the go, relaxing at the beach, or settling in for a restful night's sleep. Packed in a pocket-friendly tin, each mint offers a convenient, precise dose for daily use. These easy-to-use breath fresheners are effective on their own or as the endnote to a great smoke.

Original Mint Tin

Enhance the everyday with refreshing peppermint flavor plus an easygoing 5 MG THC. Original Mint is our go-to for everything from drafting expense reports or making dinner with friends. Made with full-spectrum cannabis-oil and naturally uplifting terpenes from real peppermint. With 20 mints in each pocket-friendly tin, there's plenty to share.

5mg THC per mint || 100mg THC per tin || 20 mints per tin

Royal Mint Tin (Hybrid)

Kick back and chill with the new Royal Mint Hybrid. Created by and for experienced cannabis lovers; each refreshing Royal Mint packs a concentrated dose of 10 MG THC. Made with full-spectrum cannabis oil and a proprietary blend of calm-but-not-couchlocked terpenes found in hybrid strains.

10mg THC per mint || 100mg THC per tin || 10 mints per tin

Royal Mint Tin (Indica)

Wind all the way down with the new Royal Mint Indica. Created by and for experienced cannabis lovers; every refreshing Royal Mint packs a concentrated dose of 10 MG THC. Made with full-spectrum cannabis oil and a proprietary blend of body-and-mind-bending indica dominant terpenes.

10mg THC per mint || 100mg THC per tin || 10 mints per tin

Royal Mint Tin (Sativa)

Get up and go with our bestselling Royal Mint in a new, sativa-dominant formula. Created by and for experienced cannabis lovers; every refreshing Royal Mint packs a concentrated dose of 10 MG THC. Made with full-spectrum cannabis oil and a proprietary blend of energizing terpenes typical of sativa-dominant strains.

10mg THC per mint || 100mg THC per tin || 10 mints per tin

Cinnamon Relief 1:1 Mint Tin

Relieve stress and support recovery post-workout or post-workday. Cinnamon Relief 1:1 delivers the full therapeutic benefits of cannabis with a balanced blend of 5 MG THC and 5 MG CBD in each mint. Made with full-spectrum cannabis oil and naturally anti-inflammatory cinnamon oil.

5mg THC + 5mg CBD per mint || 100mg THC + 100mg CBD per tin || 20 mints per tin

Citrus Recovery Mint Tin

Relax without the high. Inspired by the California sunshine, these CBD-rich mints contain real organic orange oil and 10 MG CBD each from full-spectrum cannabis extract. Made with naturally uplifting terpenes from real oranges.

10mg CBD per mint || 200mg CBD per tin || 20 mints per tin

Berry Daytime Tin

Hit your sweet spot with these microdose mints. Created especially for anyone looking for a gentle experience, each Berry Daytime Mint contains just 5 MG of full-spectrum THC. Flavored with real strawberries, these mints make it easy (and delicious) to discover your perfect dose.

5mg THC per mint || 100mg THC per tin || 20 mints per tin

Berry Nighttime Tin

Rest and restore with the new nightcap. Each Berry Nighttime mint contains a precise blend of 3 MG THC and 3 MG CBN to support your daily unwind. These gentle, micro-dose mints are friendly for new consumers and also tasty enough to take a few if you prefer a higher dose.

3mg THC + 3mg CBN per mint || 99mg THC + 99mg CBN per tin || 33 mints per tin

Breez Tinctures

Breez in, breathe out – a fast-acting dose with just one dose. Breez Tincture Sprays and Drops pack up to 1000mg of concentrated cannabinoids in liquid form with the same great taste as best-selling Breez mints. Each pharmaceutical-grade bottle is custom-engineered with a metered spray pump or dropper for accurate and consistent dosing.
