

Goldmine Gummies - Find Your Goldmine

What if Breez made gummies? It would probably look a lot like this sweet-and-tart, fruity, chewy, terp-drenched, 100% natural, vegan weed candy that remains melt-proof in even the hottest beach baskets. One of the largest gummies on the market by mass, rich with full-spectrum cannabis, Goldmine is a true heavy hitter - all in the handiest dang tins this side of the Rio Grande.

Anti-Gravity: Wild Strawberry Gummies (Indica)

The world's tiniest zero-G chamber. Anti-Gravity gently delivers you to low-earth orbit fueled by 10mg THC and Indica terpenes. Say hi to Elon's red Tesla Roadster for us.
